WARNING:
CHOKING HAZARD-Small parts.
Not for children under 3 years.

DUMPSTER DIVER™

I'm hiding in my dumpster with all kinds of delicious food! Are you brave enough to take some from me?

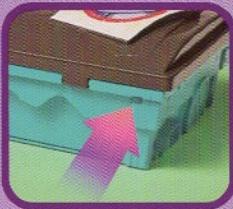

CONTENTS

- 1 Dumpster with Raccoon, 1 Garbage Bag, 16 Pieces of Food —
- 6 Fresh Food (2x milk carton, 2x honey pot, 2x broccoli)
- 10 Half-Eaten Food (2x apple, 2x fish bone, 2x hot dog, 2x banana, 2x chocolate bar)
- 1 Player Claw, 1 Die

OBJECT OF THE GAME

Collect the most food from the dumpster without getting caught!

SET UP

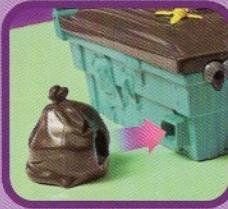

Open the dumpster lid by pressing the small button on the front right-handed side of the dumpster.

Collect all pieces of food and place them in the dumpster.

Push the raccoon arm flat onto the head, as indicated, to fit it inside of the dumpster then close the lid.

Firmly push the garbage bag onto the dumpster. If you are left-handed, apply to the right side. If you are right-handed, apply to the left side.

PLAYING THE GAME

The player who last threw something away starts the game. On their turn, players will roll the die and perform the action shown.

1

Take 1 piece of food from the dumpster

2

Take 2 pieces of food from the dumpster

3

Take 3 pieces of food from the dumpster

Take 1 piece of food from another player

To take a piece of food from the dumpster, grab the player claw and use it to push open the

dumpster door to try and collect food. You may only take one piece of food at a time if additional food comes out, the first piece of food should be kept and other pieces should be pushed back into the dumpster.

Make sure the door is completely shut before passing the player claw to the next player. The game proceeds clockwise.

Half-eaten food is worth 1 point.
Fresh food is worth 2 points.

BE CAREFUL!

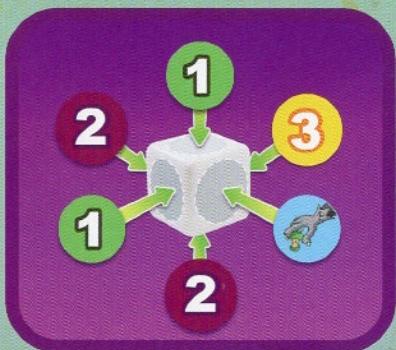

The raccoon is not willing to share and might grab you!

WINNING THE GAME

The game ends when the raccoon jumps from the dumpster to attack!

The player who triggered the raccoon must put back any food taken on that turn, and put two pieces of food from their stash back into the dumpster. Then all players count up their points, and the player with the most points wins the game!

STICKERS

Before playing for the first time, apply stickers to the game pieces.

Place decals from sticker sheet according to diagram.

TIPS

To store the game, place all food inside the dumpster, and put the player claw between the raccoon face and arm.
