## All Players

Turn over the timer and all the other players must make the sound on your head at the same time. When time is up, take a guess. If you guess correctly, keep the card and take a new card for your headband.

## Mute

- Pick another player and turn over the timer. The chosen player must now act out the Silly Sound on your head **WITHOUT MAKING A SOUND**. When time is up, take a guess. If you guess correctly, keep the card and take a new card for your headband.
- Once you have either guessed correctly or not (if you don't guess leave the card on your head and you will get another go) play moves to the next player to the left.
- Collect three cards to **WIN** the game.

## Additional Notes

- If you want to make the game longer or shorter you can choose the number of cards to play for. Try 1, 2, 5, 10 or more cards.
- To make the game a little easier, allow players who guessed a part of the Silly Sound (for example: It was a cat or maybe a bicycle) to have another turn and spin the spinner again. It's up to you, make it your game.
- Don't forget you can add your own Silly Sounds by writing on some of the blank cards.
